

Weronika T. Adrian

Weronika T. Adrian, MSc (wta@agh.edu.pl, www) is a research assistant at AGH University of Science and Technology. She is a member of the GEIST Research Group, a founder member of the Polish Artificial Intelligence Society and a member of IEEE. She has cooperated with GEIST members since 2008.

Her main research interests cover Semantic Web technologies and logic programming. She is an author and co-author of 28 publications (the complete list is available in the [AGH bibliographic system](#)). Selected publications can be browsed in the [Researcher ID](#), [AGH BPP](#) and [DBLP](#) systems.

She has been involved in several national and international research projects: HeKatE, BIMLOQ, INDECT, Prosecco; and EU programs: Knowledge and Practice, it2edu, SPiN. She is a laureate of the first edition of [Top 500 Innovators](#) project sponsored by Polish Ministry of Science and Higher Education within which she completed a program on *Science-Management-Commercialization* at [Stanford University](#) (for more information please see my [testimonial](#) at SCPD Website or read the [blog](#) I wrote with my colleagues).

More GEIST

→ Meet the [whole team](#).
