

# Hiring a new employee

## Description

Employment department wants to hire a new employee, gathers applications and looks for the best applicant that accepts the offer.

After the acceptance is obtained a new workplace is prepared and access to IT systems is granted, as well as local government agencies are informed.

Source: Model based on the model from Anna Piskorz's MSc thesis (p. 22), 2011, supervisor: Grzegorz J. Nalepa Phd.

## Model

**BPMN Diagram types:** Process,
